

## **Andras Tahn leaves St. Therese Institute of Faith and Mission after Six Years of Devoted Service**

The community of St. Therese Institute of Faith and Mission pray for God's blessing and peace upon Andras Tahn, who has worked as the Executive Director of St. Therese Institute of Faith and Mission since its beginning, and has decided to leave St. Therese Institute at this time. The Board of Directors and the staff would like to thank Andy and his wife Lisa, for the years of service and commitment that they have offered St. Therese Institute. From the earliest days of St. Therese in 2004, Andy and Lisa have been instrumental in bringing to reality a hope and a dream, of both the St. Therese School of Faith and Mission and the St. Therese Healing and Growth Centre. At this juncture, we want to acknowledge and honour the gift of their time, talents and resources, which involved many, many long hours of work and much personal sacrifice. We pray for all God's blessings to be with you and your family.

Andy and Lisa Tahn
